## Garry Lyles named to head SLI propulsion team

**G**arry M. Lyles has been named manager of the Space Launch Initiative's (SLI) Propulsion Project Office at Marshall. Lyles will lead the propulsion effort that will eventually launch a second generation reusable launch vehicle and return it to a landing site on Earth. Previously, Lyles was manager of the Advanced Space Transportation Program Office at Marshall.

**Check out status of International Space Station on the Web at: <http://scipoc.msfc.nasa.gov>**

**Ask Dr. Know your safety, health or environmental issues. See 'Inside Marshall'**

## Marshall's Child Development Center open for business

**T**he Marshall Child Development Center is open for normal operations, following precautionary measures taken to assure the center is a healthy environment for the children of Marshall Center employees. The center was thoroughly cleaned Thursday after an employee was diagnosed with viral meningitis. This meningitis type is least harmful, and transmission difficult, say doctors.

## Shoe Carnival stores offering discount to NASA team

**S**hoe Carnival stores in Huntsville and Decatur are offering a 40 percent discount off the sticker price to all NASA employees, NASA retirees and NASA contractors through Sunday. To receive the discount, present your NASA badge. For details, call 544-7565.
